ANNUAL REPORT 2017-18

** Vision **

To Impart Quality Education to the Students and Mould them into Proactive Multifaceted Pharmacists.

** Mission **

Towards Establish a Center of Academic Excellence and Research in Pharmacy Education and thereby Produce Professionally Competent and Ethically Sound Pharmacists to Cater the Needs of the Global Society.

**Programme Educational Objectives **

- To reflect critical thinking and problem solving skills through their Pharmaceutical knowledge.*
- To expertise and competency in industry, higher studies and research.*
 - To practice ethics and values in their profession.*
 - To contribute effectively in various fields of social healthcare system.*
 - To inculcate leadership and entrepreneurship capabilities through effective communications, appropriate time management and self-up gradation.*

Message from Principal's Desk

Dr. N. S. Vyawahare
Principal

“Education is a light that shows the mankind the right direction to surge”

Welcome to Dr. D. Y. Patil College of Pharmacy (DYPCOP). I heartily congratulate you for opting Pharmacy as trajectory to shape up your professional career and personal lives. Pharmacy as a profession is an integral part of health care system in India and across the globe. It has expanded multifold and set new trends with respect to the Indian education system and career opportunities which lie therein.

Pharmacy as a profession enjoys an egalitarian position amongst the other professional courses of the Higher education system in India. These factors have contributed to an increased demand for Pharmacists, rating India as the third-largest healthcare professional group in the world and the sole profession specifically trained to deliver pharmaceutical services. In view of the above, I would like to state emphatically that DYPCOP, established in the year 1999, is functional in acute liaison with its vision and mission as a center of academic excellence and research, thereby producing professionally competent, ethically sound proactive multifaceted Pharmacists.

The college has a state-of-the-art infrastructure, well equipped ultra-modern and spacious laboratories, highly qualified experienced and dedicated faculty, well stocked library, lavishly furnished hostel and canteen facility. It also has a placement cell that is functional 24x7 which play a key role towards appropriate and timely placement of eligible students as per his/her caliber in various Government, semi government & private pharmaceutical sectors.

In addition to this, the college organizes training sessions, guest lectures, seminars, conferences, workshops, sports events, cultural activities etc. for the all round development of each and every student. The conduction of soft skill training sessions by the professionals is an attempt to help students become job ready candidates for the competent pharmaceutical companies. The USP of this college lies in the in-house faculty and student trainings in Communication Skills in English, Japanese, German hosted in the ultra-modern Language Laboratories. The faculty members are supported for knowledge and skill enhancement and updating via QIPs, FDPs, etc.

We are ingeniously committed to grooming GLOBAL Pharmacists to make India a PHARMA SUPERPOWER by 2020.

DEPARTMENT OF PHARMACEUTICS

Pharmaceutics: Art and Science of Dosage Form Design

Pharmaceutics is the scientific discipline concerned with the process of creating the dosage form of a therapeutic that is to be used by patients. It encompasses drug formulation and manufacturing. Pharmaceutics is the science of dosage form design. There are many chemicals with known pharmacological properties but a raw chemical is of no use to a patient. Pharmaceutics deals with the formulation of a pure drug substance into a dosage form. Branches of pharmaceutics include: Pharmacokinetics, Pharmacodynamics, Pharmacoepidemiology, Pharmacogenomics, Pharmacovigilance, Pharmaceutical formulation and Pharmaceutical technology.

Research Interest:

Preformulation Studies, Physics of Tablet, Nasal Dosage Forms, Microsponge, Niosomes, Self Microemulsifying Drug Delivery System, Fast Dissolving Tablets, Sustained Release Formulations, Nanoparticles, Crystallization Techniques, Solubility Enhancement etc.

Facilities:	Pharmaceutics
No. of Laboratories	07
Each Laboratory Area	108 Sq.mtr
Area of Instrument Laboratory	78 Sq.mtr
Total equipment investment	87.25 Lacs
Departmental Publications till date	92
Departmental Research Grant	Rs. 8,15,000 /-

List of Major Equipment's:

Fluidized Bed Processor, Hot melt Extruder, Spheronizer, Tray Dryer, Coating Machine, Rapid Mixer Granulator (RMG), Film Former, Lyophilizer, Probe Solicitor, Disintegration Test Apparatus, Dissolution Test Apparatus, Capsule Filling Machine, Cooling Centrifuge, Stability Chamber, Digital Optical Microscope, Tablet Compression Machine, Vacuum Oven, Homogenizer, KBR Press, Magnetic Stirrer with Hot Plate, Colony Counter, Electrical Water Bath, Mechanical Stirrer, Melting Point Apparatus, etc.

DEPARTMENT OF PHARMACEUTICAL CHEMISTRY

Pharmaceutical Chemistry: discover and develop new drug therapies that can improve quality of life

Pharmaceutical chemistry is concerned with the design of drugs or compounds that are able to provide an influence on some medical condition. The department is well equipped to introduce these fundamental subjects to the students so that a strong foundation is laid at the very beginning. This foundation serves as the building block for all other subjects in the entire B. Pharm course. The students are well prepared with the application of modern information and scientific technologies in drug development safety and efficacy studies.. There are well equipped laboratories for undergraduate students and research labs for postgraduate students. The department is well equipped with necessary instruments and also engaged in study of different aspect of drugs like physical, chemical, analytical, organic, inorganic, biochemical, medicinal etc.

Major Research Interest		
Drug Design, QSAR Study, Synthesis of Different Drugs, Phytochemistry, Prodrug Delivery System, Analytical and Bioanalytical Method Development and Validation of Different Drugs, Quality by Design etc.

DEPARTMENT OF PHARMACOLOGY

Pharmacology: Science of drug's action on biological systems and their clinical use

Pharmacology is the branch of biology concerned with the study of drug action, where a drug can be broadly defined as any man-made, natural, or endogenous (from within the body) molecule which exerts a biochemical or physiological effect on the cell, tissue, organ, or organism. The Department of Pharmacology provides a vibrant and dynamic environment for conducting high quality research and teaching. The knowledge derive from pharmacology can be use in “Pharmacy” for effective implementation of pharmacotherapy for diverse disease conditions, patient counseling in-vivo, in-vitro, preclinical screening and clinical trials etc. The department has well established animal house giving all the necessary care & facilities for hygienic housing of laboratory animals like Wistar rats and Albino mice required for study. The department has more than 100 research publications in national and international Journals.

The scope of pharmacological training opens a wide range of employment opportunities to the pharmacy students in hospital pharmacy, academia, industry and government organization etc.

Major Research Interest

The Pharmacology laboratory has facility for advanced research in the field of preclinical and clinical Pharmacology. The major research areas include Phytochemical, Immunopharmacological, Toxicological, Neuropsychological and behavioral studies.

Facilities:

No. of Laboratories	03
Each Laboratory Area	108 Sq. mtr
Area of Instrument Laboratory	78 Sq. mtr
Total equipment investment	Rs. 15 lakhs

List of Major Equipment's:

The laboratory is well equipped with latest instruments like sophisticated digital video tracking system, digital Plethysmometer , digital Actophotometer, Rota-rod apparatus, Elevated plus maze, Y-maze, Radial Arm maze, Electric convulsometer, Digital analgesiometer, Histamine chamber, Tissue homogenizer with other routinely required instruments like digital student's organ bath and Kymograph etc, to give hands on experience in preclinical studies to the students.

DEPARTMENT OF PHARMACOGNOSY

Pharmacognosy: Devoted to natural and folklore holistic health

Pharmacognosy as "the study of natural product molecules that are useful for their medicinal, ecological, gustatory, or other functional properties." The Department of Pharmacognosy is dedicated to natural and herbal medicinal product research in pharmaceutical sciences. The use interdisciplinary approaches to identify, analyze, and purify multi-component mixtures from plant, fungal, or marine sources focusing on the characterization of their bioactive secondary metabolites. Natural products research often comes across many hurdles, which dims the drug development goals. We believe that natural products research information can potentially benefit many researchers involved in this area. Further researchers believe in combining the strengths of ayurveda with modern scientific techniques such as NMR, MS and chromatographic techniques to provide new functional leads with high therapeutic value in a short span of time. This department deals with the study of biology, chemistry, biochemistry, taxonomy, and ethnobiology of natural products obtained from plant, animal, marine and other life origins.

Pharmacognosy has undergone significant change in recent years and today represents a highly interdisciplinary science, which is one of the major pillars of Pharmaceutical education. Areas of active interest include natural products chemistry, isolation, characterization and biological studies of phytoconstitents using animal models, herbal cosmetics, novel herbal formulations, and their standardization.

Major Research Interest:

- Drug discovery and lead generation from natural sources
- Development of formulation methods, standardization and stability studies of herbal drugs, herbominerals, nutraceuticals and cosmeceuticals of natural origin
- General quality control methods for crude drugs and protocol development for specific medicinal plant materials

- Development of technologies for natural products involving extraction, isolation and quantification
- Ayurvedic formulation development and standardization with novel approaches
- Biological evaluation and validation of medicinal plants in various therapeutic areas like antiacne, antidiabetic, immunomodulatory, antioxidants, antiulcer, and anti-inflammatory.

Facilities:

No. of Laboratories	02
Each Laboratory Area	108 Sq.mtr
Total equipment investment	7,32,450 lacs

List of Major Equipments:

Vacuum oven, UV cabinet, BOD incubator, Electronic microscope, etc.

COLLEGE AMENITIES

i. Computer Center

The Internet is transforming society and shaping the future through chat. Using technology in Pharmacy is very useful for the pharmaceutical profession. It is useful for the patient profile monitoring, the drug interactions, the medication, the database management, the material management, the drug information services.

At Dr. D. Y. Patil College of Pharmacy we have air-conditioned labs enabled with internet and in licensed software applications connected network. Wi-Fi facility is provided as another

mandatory thing so students are not restricted to labs or spend money in café for projects and programming. Computer Laboratory with 24×7 internet connection is a part of the infrastructure.

Maintained By:-

Computer Lab Assistant: Mr. S. K. Talware

B. Com, Diploma in Computer Hardware and Networking (SCNA), Cisco Certified Network Administrator (CCNA)

ii. Library

In pharmacy education, library use do appear independent contributions to desirable outcomes of the institution. Pharmacist today face challenges to ensure access and rational use of efficacious, quality, and safe medicines and health technologies; Strengthening and harmonization of pharmacy education is essential for the development of basic medical and pharmaceutical sciences to serve the society. Libraries are pivotal in supporting and achieving the mission of higher education intoday's information world and to make students

information literate. Our library wardrobe consist enormous quantum of books split between authors, topics, subjects, magazines and newspapers. An entire silent zone with mechanized search system is serviced by librarian who is skilled enough to handle all concerns of students.

- Qualified Library staff as per AICTE & PCI Norms.
- Spacious and rich library services are provided to the students with access to e-journals and text books.
- Total Library area-465 Sq.mtr, Reading Room area:-260 Sq.mtr, Stack Room area:-108 Sq.mtr
- Separate reading room for Faculty and students having seating capacity of 150,
- Separate Reference Section and in- house Digital Library
- Library has a rich collection of e-books, animations & presentations on numerous topics which can be accessed easily by the students.
- The library is kept open for the students from morning till late in the evening.
- Library is equipped with Library Management software (OPAC).This software helps to keep complete track of Books, Periodicals, and Journals etc & is divided into different modules so that you can choose as per your requirement.
- The library is updated every year and newer journals, books and abstracts are added to it. This helps the faculty members and students to keep themselves abreast of recent developments in the pharmaceutical sciences

iii. Language Laboratory

Good Communication Skills are indispensable for the success of any professional. The language laboratory plays an important role in the language learning process. As it is a technological aid for learning, it has a number of advanced facilities that can help a student to learn a language with proficiency to communicate.

Strange to hear but a unique concept at Dr. D. Y. Patil College of Pharmacy is by application of Language Laboratory. The institute under the guidance of communication skills experts train students to enhance their writing and verbal capabilities. The students are developed and assist as per corporate requirements.

Objective of the Training:

- The training is organized so as to improve communication and soft skills of students.
- To learn pronunciation, accent, stress and all other aspects of the phonetics of a language.
- To develop soft skills such as group discussion, interview skills, debate, presentation skills, reinforce material learned, optimize computing resources etc
- To develop and boost the self confidence, Self-learning of the student by making them speak in front of the class.
- To make students aware about the skills needed for overall language development

Details of the Modules covered in the training:

The modules are based on the effective communication style such as speaking, writing, reading and listening skills.

Introduction, Listening- I, Situational Conversation- informal, Grammar- Tenses, Newspaper-reading comprehension, Resume, Letter writing, Listening- II, Intonation & Stress, Group Discussion- Theory, Group Discussion- Practice, Situational Conversation- formal, Presentation-theory, Presentation-practice, Interview Techniques, Evaluation etc.

iv. Medicinal Plant Garden

Plants have been used for medicinal purposes long before prehistoric period. Evidence exist that Unani Hakims, Indian Vaid and European and Mediterranean cultures were using herbs for over 4000 years as medicine. Indigenous cultures such as Rome, Egypt, Iran, Africa and America used herbs in their healing rituals, while other developed traditional medical systems such as Unani, Ayurveda and Chinese Medicine in which herbal therapies

were used systematically.

The college has well maintained “Charak Medicinal Plant Garden” with approximately 110 endangered and bio-diversified medicinal and folklore plants. The Students visit and maintain the garden as per the curriculum and enhance their knowledge.

v. Animal House

The college has well established Animal House approved by CPCSEA, giving all the necessary care & facilities for hygienic housing of laboratory animals like Wistar rats and mice required for preclinical studies.

Animal Data:

Year	Species	Sex	Number
2017-18	Wistar Rat	Male	13

vi. Amphitheater

.The amphitheatre is exactly in the middle of campus & is a centre of attraction for everyone giving awesome ambience to the students of Dr. D. Y. Patil College of Pharmacy in organizing Industry-Institute Interactions, fairs and Cultural fests.

vii. Dnyprasad Sabhagruha

A conference hall has of seating capacity of 200 with Projectors, Internet access unit, Television set, VHS, CD/VCD units is utilized for events, presentations, meetings, conferences and lectures.

viii. Shantai Auditorium

A mandatory facility as a part of modern technology based education. A fully equipped with seating capacity of 550 and seminar hall architected with advance mounted projector and screen. The student themselves can utilize additional facility of audio, video and recording system with prior permission.

ix. Transport

Separate Transportation Facilities are inherently equal.

With resident hostel students Dr. D. Y. Patil College of Pharmacy also has non-resident Pune locals. An equally important transport facility is completely managed by our institution not involving any 3rd party or vendor at this role. Pick and drop is arranged as per timings of college curriculum with one security always in bus traveling with the students. In order to cover the entire city sufficient numbers of buses are stocked in the campus.

x. Canteen

Not only the body but the soul should also be fulfilled by the quality of food. Every ward desire & has a right for food which is hygiene and healthy. We believe when a student's stomach is happy, half way is achieved in their progress.

.xi. Sports Ground

The campus has facilities of cricket, volleyball and football ground.

xii. First Aid Room

The First Aid Room at our college accommodates and takes care of the patient from the college. Health checkups are done under specialized doctor's supervision by the First Aid Room at regular intervals.

Facilities and equipment's in first aid room: Blood pressure apparatus, stethoscope, weighing balance and first aid box etc.

Visiting Doctors: Dr. A. Mahajan and Dr. (Mrs.) P.A. Kulkarni

CO-CURRICULAR ACTIVITIES

1. INDUCTION PROGRAMME: 5th August 2017

Dr. N.S Vyawahare, Principal shared his inspirational thoughts to parents and students during Induction Programme.

Felicitation of Ms Patange Rakhi being by hands of Chief Guest Col (Retd) S K Joshi, Campus Director Akurdi for securing Academic excellence in Second Year B. Pharm

Maintained by: Ms. S. C. Daswadkar

EXTRA-CURRICULAR ACTIVITIES

1. NATIONAL SERVICE SCHEME (NSS)

Unit No- A-63

Capacity- 1Unit- 50 NSS Volunteers

NSS ACTIVITIES:

i) Swachh Bharat Abhiyan Pakhawada.

Date: 4th August 2017.

Swachhta pledge proceeded by Faculties, Students along with principal Dr.N.S.Vyawahare during Swachh Bharat Abhiyan Pakhawada.

ii. Tree Plantation and Cleanliness Drive:

- Date: 29th July 2017
- Organised by NSS unit and all T.Y and Final year B. Pharm students at Dr.D.Y.Patil College of Pharmacy, Akurdi, and Akurdi railway station. The main target of the program was one student should plant at least one tree . The total no. of 30 plants was planted on the day of program. The inauguration of Tree plantation program was done by Gram Panchayat members. Total 30 plants of different species were planted at Gram Panchayat

Inaguration of Tree Plantation by Gram Panchayat Members at Chinchwad Gaon.

iii. Swacch Bharat Abhiyan Cleanliness Drive :

Swacch Bharat Abhiyan Cleanliness drive was conducted on 11th August 2017 at Bhandara Fort (Talegaon-Chakan Road) & it was cleaned by the 50 NSS volunteers, 150 B.Pharm and 30 M.Pharm students of Dr. D. Y. Patil College of Pharmacy, Akurdi.

Cleanliness activity carried out at Talegaon-Chakan Road as a part of NSS Activity

Cleanliness activity carried out by Students at Dr.D.Y.Patil College of Pharmacy,Akurdi

iv) Yuva Saptha

On the occasion of Yuva Saptha from 12th Jan 2018 to 18th Jan 2018, Debate, Group discussion and lectures were organized to boost the self-confidence and leadership quality for students which will help them to participate in various social activity.

Date: 12th Jan 2018

Group Discussion during Yuva Saptha during NSS Week Celebration

Street play on Dengue Awareness Program was demonstrated by NSS Volunteers

Swacch Bharat Abhiyan Rally at Akurdi during NSS week Celebration

Third year student explaining the significance of cleanliness drive to Dr.N.S.Vyawahare, Principal during Posters making Competition

NATIONAL SERVICE SCHEME (NSS) SPECIAL CAMP:

- Date: 24th Dec 2017 – 31st Dec 2017
- Venue: Kanhe Goan, Tal. Maval, Dist. Pune

NSS special camp of 25 volunteers was organized at Kanhe Gaon. During 07 days of special camp various social activities were carried out by NSS volunteers in the village under guidance of Mr. D. S. Shirode, NSS Program officer and Dr. N. S. Vyawahare, Principal Dr. D. Y. Patil College of Pharmacy, Akurdi, Pune. Social activities included baseline survey of village of 385 families to collect information about health awareness, hygienic, sanitary conditions, educational status, occupational status etc. of villagers. It was followed by organization of health check-up camp, blood donation camp in association with Acharya Anandrushi blood bank, Anti-Tabacco Awareness, Tree Plantation, street plays on awareness of Swine Flu, Dengue, Malaria and Swachh Bharat Abhiyan, etc. In the health checkup camp, 169 people actively participated. In the camp, activities like Blood Pressure checkup (43 persons), Haemoglobin Checkup (22 persons), Eye checkup (21 persons), Blood Sugar Level Checkup (23 persons) and Blood Donation (17 persons) activities were conducted

Blood donation camp during 7 days NSS camp at Kanhegoan

Health check-up visit during NSS camp at Kanhegoan

2. NATIONAL PHARMACY WEEK:

National Pharmacy Week is being celebrated every year to create awareness in the society about the roles and responsibilities of Pharmacist in public health.

- Duration of celebration: 18th Sep.2017-23rd Sep 2017.
- Total number of students participants: 112

Inauguration of Model Making Competition by Chief Guest Dr.V.S.Vibhute , Dr.D.Y. Patil college of Engineering, Akurdi as a part of National Pharmacy Week Celebration

Inauguration of Poster Competition by Chief Guest Dr. Hamber Prashant Premkumar as a part of National Pharmacy Week celebration.

Students were invited the college Principals of Dr.D.Y.Patil of Education complex,Akurdi for National Pharmacy Week Celebration .

Inaguration of pharma rally by Dr.N.S.Vyawahare, Principal on the occasion of National Pharmacy Week celebration.

3. SPORTS

Inter-Class Sports Competitions were organized by Dr. D. Y. Patil College of Pharmacy at Dr. D. Y. Patil Sports ground Akurdi, Pune

- Duration –22nd to 24th January 2018
- Total events-
 - Indoor- 3 (Chess, Carrom, Table Tennis)
 - Outdoor- 4 (Cricket, Volley Ball, Throw-ball, Kho-kho, Relay)
- Overall Champion- Final Year B. Pharm

Reg. No.: MAHA 2146/2012/Pune Dated: 02/11/2012

Name of News Letter: Pharmazine

No of alumni registered till date = 488

Alumni are metaphorically the birds that fly higher and higher from their nests to embark their tiny footprints into the gigantic places. They are the real assets of any alma mater, though the alumni spread their wings for flight, they have their feet grounded. There are immense benefits of bridging the gap between the current students and the alumni. There is symbiosm of knowledge, memories and exemplary euphoria. Students get to learn through the experiences of alumni and juxtaposed the alumni get to walk down the lanes of nostalgia. Thus, to nurture this bond of bliss, wisdom and ensure a sound functioning, we run a triumphant alumni-student network.

Activities of Alumni Association:

1. Alumni counsel current students on the topic/ areas of their expertise.
2. Alumni and faculty interactive session are organized during their visits to the institute.
3. Alumni conduct training sessions/ workshops prior to the conduct of campus drive.
4. Online communication is established between alumni, current students and staff for discussion on current academic sectors.
5. Alumni played crucial role in arranging campus interview and industry visit for current students.

TRAINING AND PLACEMENT

The Training and Placement Cell is an integral part of any institute in today's competitive world. The globalization in Pharmaceutical industry in turn demand for highly competent professionals. The Training and Placement Cell is headed by capable Training and Placement Officer supported with team.

Dr. D. Y. Patil College of Pharmacy has strong Training and Placement Cell headed by Ms. Shubangi Jadhav and supported by Ms. Supriya Mane, who are relentlessly working towards imparting training, providing advanced knowledge and skill sets to make the students employable. The primary objective of the Training and Placement Cell is to provide technical training to give hands on experience of the actual work environment which helps the candidates to identify and inculcate the necessary soft skills. The Training and Placement Cell conducts training sessions throughout the year, organizes seminars and workshops on various current topics, provide exposure to latest personality development modules, industrial visits, orientation programmes, personal counseling by the professionals, industry-institute interactions, etc. which has resulted into dramatic placements in the reputed pharmaceutical units across the country. The Training and Placement Cell has set high goals for itself i.e. **if you can dream it, you can do it.**

OBJECTIVES OF TPO CELL

- To prepare and train aspiring learners to face campus recruitment by providing them exhaustive training with relevance to communication skills and overall development for personal & professional grooming.
- To arrange guest lectures of industrial and academic experts to update and upgrade learners with hands on experience in the wake of ever changing dimensions of professionalism.
- To arrange guest lectures and training sessions of alumni who are placed in reputed industries to inspire and motivate the aspiring learners.
- To make concerted and consistent efforts to enhance employability through campus placements.
