

Feedback System

Feedback Process of Institute:

For every academic year institute takes the feedback from different stakeholders like students, teachers, parents, employers, alumni by feedback committee of the institute. The motive of all these feedbacks is to evaluate academic performance and ambience of the institute and to take necessary action depends on feedback analysis for the further development of students as well enhancement of the institute.

Significance of each of the feedback as follows:

I. From Students:

- 1. Program Assessment /Student's feedback about teaching leaning process:** Feedback about Program assessment which includes different parameters (Total 10) related to teaching leaning process like 'prepare the subject thoroughly & delivers the same effectively', 'correlates the topic with respect to its professional use as per contemporary need of society' etc. are considered. Feedback is evaluated on excellent-good and average scale. Feedback is taken twice in a year.
- 2. Graduate Exit Feedback:** Includes Program assessment on syllabus and other parameters (Total 10) which acquired during four years curriculum like 'Core & basic knowledge comprehensions associated with Pharmacy Profession including allied sciences', 'Develop planning abilities to meet deadlines using appropriate time management', 'resource management', 'delegation, co-ordination and organizational skills', 'Critical analysis of problem to make justified decision through scientific inquiry', 'analytical thinking', appropriate evaluation etc is taken by providing appropriate rating in the prescribed format. Feedback is evaluated on a scale of 1-3. Graduate Exit Feedback is taken from outgoing final year students
- 3. Facility Assessment Feedback (From students and parents):** Feedback about different parameters (Total 20) related to facilities provided by the institute, like central library, language laboratory, training placement office etc. is taken once in a year. Feedback is evaluated on excellent, good and average scale.

II. From Teachers:

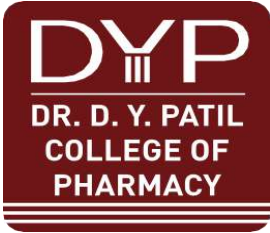

- 4. Feedback on curriculum (From Teachers, examiners and evaluators):** Includes Program assessment on syllabus focused different parameters (Total 09) like Scope of curriculum with respect to knowledge & skills development, clarity of learning objective to fulfil the need of the students etc. are considered. Feedback is taken once in academic year. Feedback is evaluated on a scale of 1-5.

III. Alumni:

- 5. Alumni Feedback / Program Assessment Feedback:** Feedback on syllabus along with other different parameters related to Program assessment (Total 9) related to program assessment like 'application of knowledge and skills gained during program', 'development of problem solving and planning abilities', 'contribution as a pharmacy professional to the society' etc. is taken. Feedback is evaluated on a scale of 1-3. Alumni Feedback is taken throughout the year.

IV. Employers:

- 6. Employers Feedback:** Feedback about syllabus and different parameters of professional ambience (Total 10) like, 'technical knowledge and competency', 'interpersonal relationships', 'punctuality and time management', 'decision making' etc. is taken throughout the year. Feedback is evaluated on excellent-good good and average scale.

Savitribai Phule Pune University (SPPU), Pune

The major goal of feedback is to update the curriculum to take into account the demands and requirements for students' employability, higher education, or entrepreneurship. The feedback from the teachers on curriculum for academic year 2021-22 was taken. The summary of valid suggestions and recommendations given by the teachers are as tabulated below for your kind perusal and necessary action.

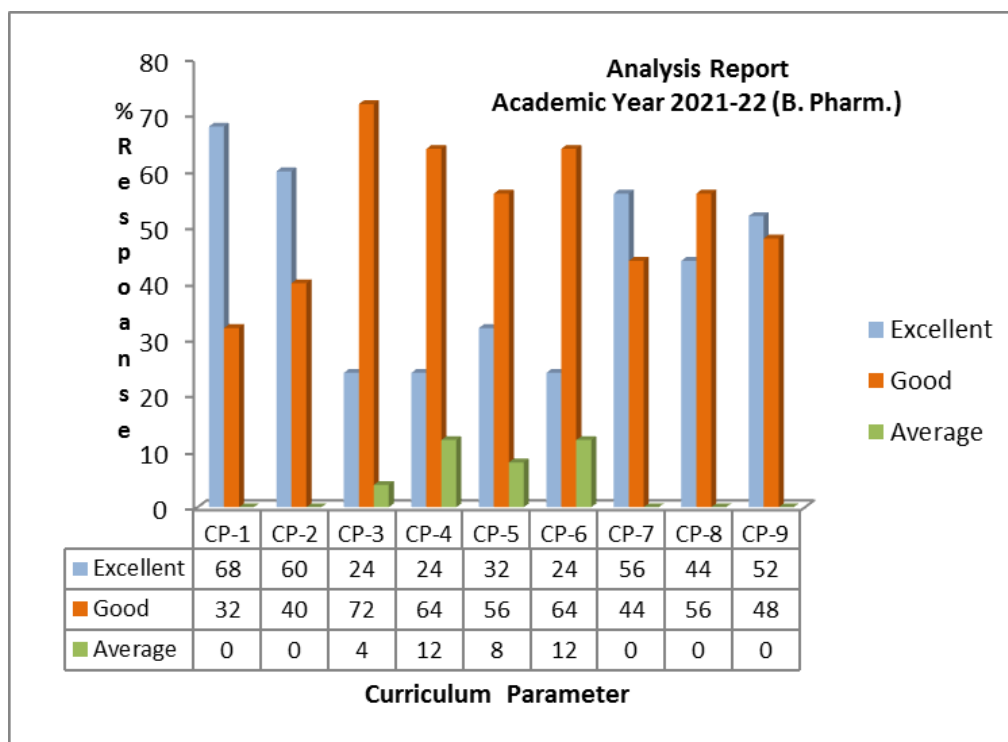

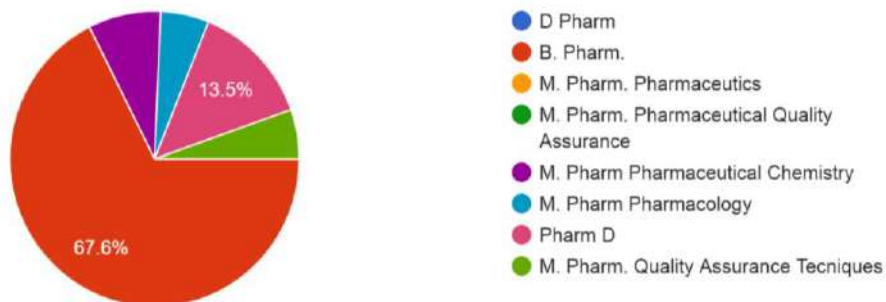

Sr. No.	Suggestion and recommendation
1.	Cosmetic Science- Baby Cosmetics can be added
2.	Final Year project- Project can not be restrict to elective subject opted by the student in semester VIII, It can be based on Current Trends in Pharmaceutical science
3.	Syllabus for Industrial Pharmacy (IP-I) is very vast so basic concept already covered in last semesters so no need to be repeat.
4.	Pharmaceutical Organic Chemistry- Fats and oils from POC I Can be removed as already covered in biochemistry. Stereochemistry is covered in detail in POC III so it can be removed from POC II.
5.	Human Anatomy Physiology II- Diseases and Disorders related to Nervous System can be added
4.	Human Anatomy Physiology I-Intracellular signaling pathway activation by extracellular signal molecule instead of Human Anatomy Physiology- I can be added in Pharmacology I
5.	Pathophysiology can be shifted to SEM.III for the better understanding of subject.As there are two subject HAP-I and Pathophysiology are in sem II and no Pharmacology related sunbject in Sem III.
6.	Pharmacognosy & Phytochemistry -I- Indian system of Medicine (Ayurveda) can be added.
