VISIT TO THE NATIONAL CENTRE FOR MICROBIAL RESOURCE [NCMR] –

Activity: NCMR Visit

Location: NCMR, Pashan, Pune

Date: 28/02/2022

Report:

A Visit to NCCS was organized by Dr. D. Y. Patil College of Pharmacy on occasion of National Science Day 2022.

The visit was very interesting and informative. We students got to learn many new things and apart from the theoretical knowledge of microbiology, we got practical knowledge as well.

Dr . Avinash sir greeted and welcomed the entire team of DYPCOP to the NCMR lab. Dr. Marja Joshi Mam explained the facility and brief us on the entire work done under the organization.

After that, she took us to the various stations of the lab where different activities were being performed.

We saw the Chemstation for GC which works on cell membrane fatty acid profile. It works on a previously loaded Sherlock database.

We observed VITEK Machine very well explained by sir over there. It is useful for preparing clinical reports and checking antibiotic susceptibility.

Next, we observed MALDI-TOF-MS very well explained by Mitesh sir. It is useful in the identification of bacteria based on protein profiles by unique protein sequences. In one single plate, 384 samples can be run.

BIOLOG MicroStation was explained by Sonia Thite ma'am. It is useful in detecting environmental samples. Tetrazolium dye is used for this. 5 different types of eco plates are used for this.

We also visited the Phototropic lab of the facility. There were a number of aerobic and anaerobic bacteria stored in the lab. Prachi mam explained every single detail regarding the bacteria.

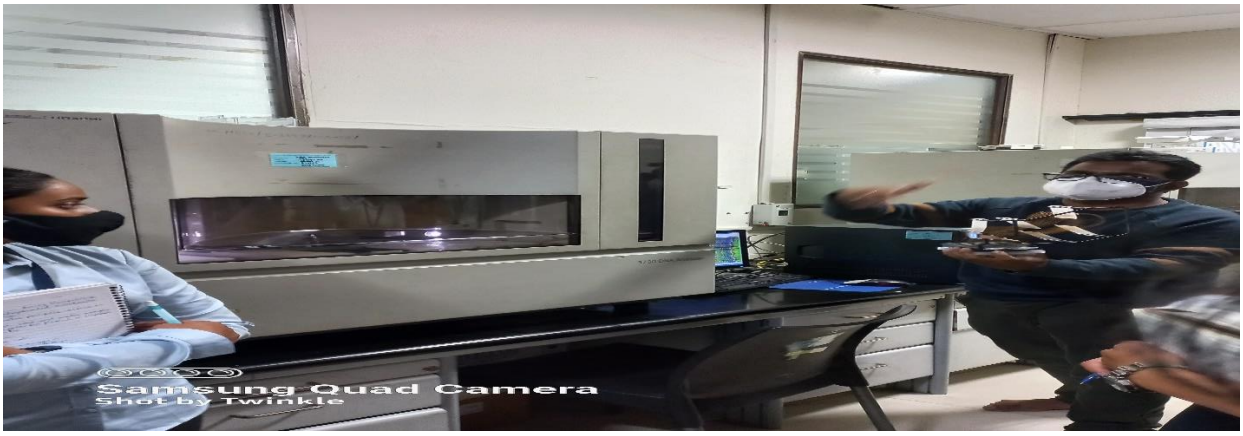
One of the interesting sections was the Fungus lab where Mustafa sir and Gajanan Mana sir explained the use of fungus in preparing medicines. For ex- Use of penicillium in Penicillin.

The most interesting part of the visit was the DNA Sequencing lab. Dr. Abhishek Gupta sir explained the Sanguir Sequencer amazingly well. There are two types of machines – 48 capillary and 96 capillary. There were 2 platforms – Illumina and Ion to ion.



At Last, visit to the IDA room where all the documentation work is done by the Budapest treaty under WIPO. Since the data therein is confidential, they could not let us inside.

About NCCS-

The National Centre Microbial Resource [NCMR], is a national facility funded by the Department of Biotechnology [DBT], Government of India.

NCMR is affiliated to National Centre for Cell Science, Pune, India and is an affiliate member of the World Federation for Culture Collections (WFCC) and is registered with the World Data Centre for Microorganisms (WDCM, registration number 930). The main objectives of NCMR are to act as a national depository, to supply authentic microbial cultures and to provide related services to the scientific community working in research institutions, universities and industries.

NCMR was recognized by the World Intellectual Property Organization (WIPO), Geneva, Switzerland as an International Depository Authority (IDA) on April 2011. The deposit of microorganisms under the Budapest Treaty is recognized to fulfil the requirement of patent procedure in 55 member countries. The Ministry of Environment and Forests, Govt. of India has designated NCMR as a National Repository for microorganisms under the Biological Diversity Act 2002 vide its Order No. 26-15/2007-CSC dated 8th July 2013 NCMR scientists are actively involved in research programmes in microbial diversity, metagenomics, ecology and taxonomy using both classical and molecular approaches.

Objective- The main objective of NCMR is to act as a national depository, to supply authentic microbial cultures and to provide related services to the scientific community working in research institutions, universities and industries.

A REPORT ON AN EDUCATIONAL TOUR (2019-20)

A Memorable Tour

"If it is said that college life is a journey, the tour made it worth living to cherish for lifetime."

An eight days Educational Tour cum Excursion was arranged for us by our college to Ahmadaba d -Udaipur-Chittodgad-Mount Abu through Global Tourism Holiday. 32 students, 4 faculty mem bers and tour managers accompanied us.

The faculty members who accompanied as college representatives were:

1. Dr. Devendra Shirode 2.
   Dr. Revan Karodi
3. Dr. Sonali Mahaparale
4. Ms. Priyatama Powar

Our journey began on 30th January 2017, at 4pm in the afternoon from college to Mumbai railwa y station.

Dr. D.Y Patil College Of Pharmacy, Akurdi has organized an educational tour for the final year s tudents to Ahmedabad-Udaipur-Chittorgarh-Mount Abu.

Day 4 Udaipur- 2nd February 2020

In the morning we reached udaipur at 8 a.m. and after freshing up at the hotel Vishnupriya we he aded up to explore some grandeur destinations with eminent history.

Our guide for today was Mr. Choudhary

Firstly he introduced us to the grand history of rajasthan and its heritage. He told us about the TH E GREAT HORSE CHETAK. who belonged to Maharana Pratap.

Then we headed to the FATEHSAGAR LAKE which is the biggest one in the CITY OF LAKES, udaipur which resembles the map of india when seen from a drone. We enjoyed the boating rides . Then we visited NGO based Arts and Crafts factory outlet that had the special Bandhani sarees, The sarees made from threads of banana leaves, a comforter (a sort of blanket) which can heal a n umber of ailments when used continuosly for 90 days.

Then we headed towards Saheliyon ki bari.

The last spot for today was THE CITY PALACE where the ancestry of Mewar flourished. We sa w the royal palace's garden, the official meeting rooms, their beautiful sculptures and paintings, t he silver room and also the hierarchy of the Maharanas.

Day 5- Chitorgarh fort 3rd February 2020

We departed from the hotel at 9:45 and reached the destination at 12:30 firstly we took lunch and then moved to the fort.The fort is distributed in the area around 700 acers due to which the transp ortation source was auto rickshaw.The speciality of the fort is if see the whole area from height is looks like a whale.

The whole fort is divided in around 7 main spots which includes around 28 lakes . Firstly we visit ed lord Krishna and vishnu mahesha/ samdeshwar temple and mahastadi staal and gomutar kund , jaymar patta mahal then saw maharana kumbhas palace which is surrounded by diwaane aam ,s uraj gokada kavarpadha etc And the vijay stambh having height of 122 ft touching sky. Then saw Kirti stambh which is of 22 meters ft in height is good attraction. Then we proceed Padmini palac e. It was having very beautiful garden. There was an attractive art of construction of sheesh mah al which was allowed to watch a reflection of rani by the placing the mirror at such an angle that even if anyone turn back he could not see the room. It was used as security purpose. There was la ke surrounding mahal in which the water never reach the bottom and never gets dry . The palace r emains hot in winter and cold in summer . It was an art of ancient engineering built in that time o f period. And then we came to an end of exploring fort by visiting Maharana Pratap museum whe re we did shopping.

Day 6 -Haldighati, Dilwara Jain temple, Mount Abu-5th Feb 2020

Today we departed from Udaipur at 9 am towards the Haldighati.We arrived Haldighati at 10.15 am. Haldighati is specially famous for the Maharana pratap museum.This museum was opened in 2003 by Dr.Mohan Shrimali and his wife Vimla Shrimali.In that we seen most of the historical tr aces which happened during the battle between Maharana pratap and Akbar .It was named Haldig hati because of its yellow colour mountain pass between khamnore and Bagicha village situated a t Aravalli Range.

In that museum ,they showed us the one shortfilm based on bravery and life of Maharana partap . They also give information about the Banas nadi ,Rakht Talai ,Pannadai ,etc. which was the part of battles.After seeing this we departed towards the Mount Abu at 12.30 pm.

Day 7 Mount Abu 5th Feb 2020

Brahma Kumaris Ashram, Mount Abu, Rajasthan, India

Universal Peace Hall of the Brahma Kumaris, located in Mount Abu is an attractive palatial struc ture painted in serene white. The hall has a seating capacity for 25,000 persons. This is an import ant centre of the Brahma Kumaris where thousands of visitors visit daily. A member of the Brah ma Kumaris takes us around the place in groups followed by a short interactive session on the val ues and stress in ones lives. They also guide us towards the museum and answer questions on ho w to deal with stress and importance of meditation for relaxation, concentration and spirituality f or ones well being. The members of Brahma Kumaris are extremely polite and courteous. This pl ace is also an important centre in the teaching of Raj Yoga meditation. Our students and faculty m embers participated in 25min of meditation program at the meditation center. Books on spirituali ty, meditation etc. are also kept on sale at this place. Conferences, workshops, course, seminars et c. on spirituality, meditation etc. are taking place here round the year. Then the students where shown the solar panels located in their ashram.

Worth a visit that makes you introspect on your values, karma and the wheel of life !! After this w e took halt of 1hour where the students and faculty enjoyed their meal. And then we enroute Ahe medabad and then via train we came to pune and then all the students where dropped in the colle ge.

At 2.30 pm on 5th Feb. 2020 we left from Mount Abu to be back to Ahmadabad by bus then from Ahmadabad to Pune by Gujarat Mail. We reached Mumbai junction on 06th Feb 2017 at 08am, fr om which we reached to Pune Akurdi Railway station by bus by 1.30pm.

We enjoyed the trip and experienced the natures beauty and lived each and every moment in the b eautiful Gujrat and Rajsthan. Everyone was back with bag full of memories and experiences whic h will be cherished for lifetime.
