### **Bandwidth of internet connection in the Institution.**

Institution has an IT policy covering Wi-Fi, cyber security, etc., and allocated budget for updating its IT facilities

Dr D Y Patil College of Pharmacy Akurdi is having 100 MBPS Internet leased line connectivity from GTPL broad band and 1:1 connectivity.

Dr D Y Patil College of Pharmacy Akurdi Pune has network using Cisco Servers, rack servers, Cisco router, switches,

Wireless access points and wireless controller. This involved upgrading to Institute IT infrastructure to strengthen with state-of-the art link load balancer, firewall, antivirus, content filtering, video streaming, video conferencing and digital library server systems.

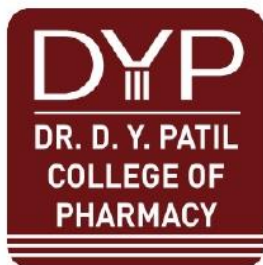

Each student in the institute and hostel campus now has uninterrupted internet access via wired as well as wireless connectivity.

Dr D Y Patil College of Pharmacy Akurdi, Pune reinforced their state of the art data centre with Cisco catalyst switches.

Dr D Y Patil College of Pharmacy Akurdi Pune is running backbone over Cisco SG catalyst switch acting as a Virtual Switching System that translates to a system capacity of up to 1 Gbps

Adaptive Security Appliances (ASA) from SOPHOS XG series firewall and wireless controller are incorporated into the switch. Wired/Wireless LAN Controller is used for controlling LAN /wireless network access. In addition, Seqrite's Secure Web Gateway (SWG) solution is used to secure IT environment

of institute. Link load balancer is deployed in data centre to terminate Internet link from different ISPs. DYPCOP also uses Cisco catalyst series switches, across the institute for access.

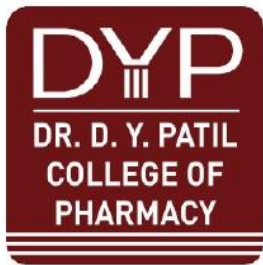

The wireless service module supports higher client density with advanced wireless security. Video streaming technology for optimized video performance is also implemented. The campus is Wi-Fi enabled with high speed of internet to allow students to connect in the college premises like class room, library, and Hostel with RUCKUS series Access points. Institute is having Microsoft campus agreement, which allows downloading Microsoft products for academic purpose. Every faculty in the institute is having Laptop/desktop facility for conducting the online lectures. All HODs are having printer facility.
