Report on How to Crack GPAT Exam

Date: 09/10/2021

Topic of session: How to Crack GPAT Exam

Name of Speaker: Mr. C. Vijaykumar

Designation: Director

Organization: Pharmastar Academy, Nanded

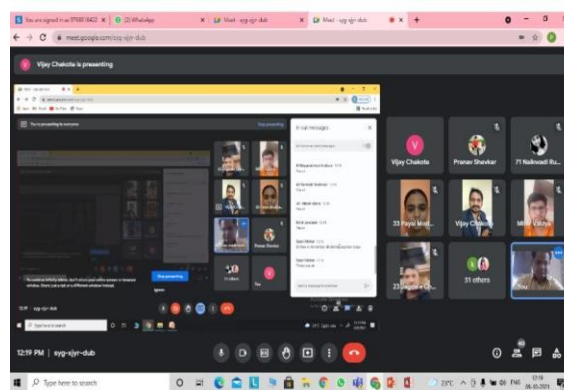

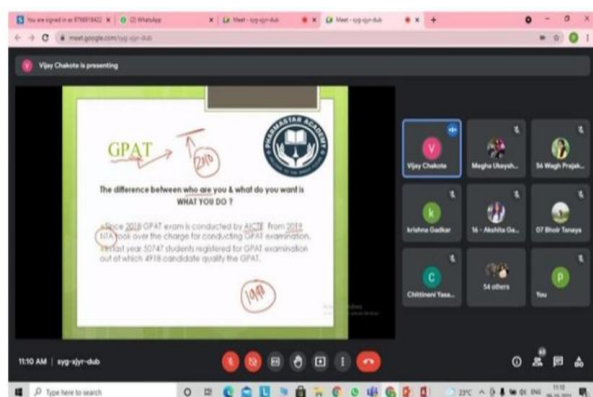

Attendees: 45

POs attended from the session: PO1, PO2, PO4, PO8, PO11

GPAT preparation and qualification increases the understanding and level of Pharmacy education of students which contribute them to opt for good jobs and helps in their professional working. With an aim of providing information and preparation aspects for the GPAT competitive exam, Dr. D. Y. Patil College of Pharmacy, Akurdi in association with Mr. C. Vijaykumar, Director of Pharma star academy had organized the webinar for Third year and Final year students on the topic "How to crack GPAT Examination"

The interactive session was organized to brush-up concepts regarding the GPAT exam. He guided students more extensively with Understanding the concept of nationalized Graduate Pharmacy Aptitude Test (GPAT), Exploring opportunities from GPAT qualification, preparation for the GPAT examination and acquiring skills to qualify the exam and also to allow them to interact with examples of the practical problems that always occur during the test and gave some tricks to remember the name of the drugs.

The webinar was further enlightened by the interesting questions answer session. The session was useful and informative to all student participants.

The GPAT Co-ordinator of Dr. D. Y. Patil College of Pharmacy, Akurdi, Pune, Mr. P. P. Wankhade has arranged a session on the topic Drug acting on Central Nervous System for the students of third year and final year B. Pharmacy on 24th august 2021.

Various topics such as Sedatives-Hypnotics, Anti parkinsonian drugs, CNS Stimulants, etc were discussed during the session. Major drugs were discussed in detail during the session. Students asked different doubts related to the topic and the doubts were neatly cleared by sir and thus the session turned out to be very interactive and also helpful for all the student participants as this topic is one of the main topics of focus in pharmacology while considering the competitive exams like GPAT and NIPER.

The total number of attendees for the session were 45. Towards the end of the session various MCQ's related to drugs acting on CNS were discussed and all the students actively participated in giving the answers.

Mr. P. P. Wankhade during delivering session on Drug acting on Central Nervous System.

Report on Career Opportunity and higher education in Pharmacy

Date: 21/08/2021

Topic of session: Career Opportunity and higher education in Pharmacy

Name of Speaker: Mr. Pranav Ganatra

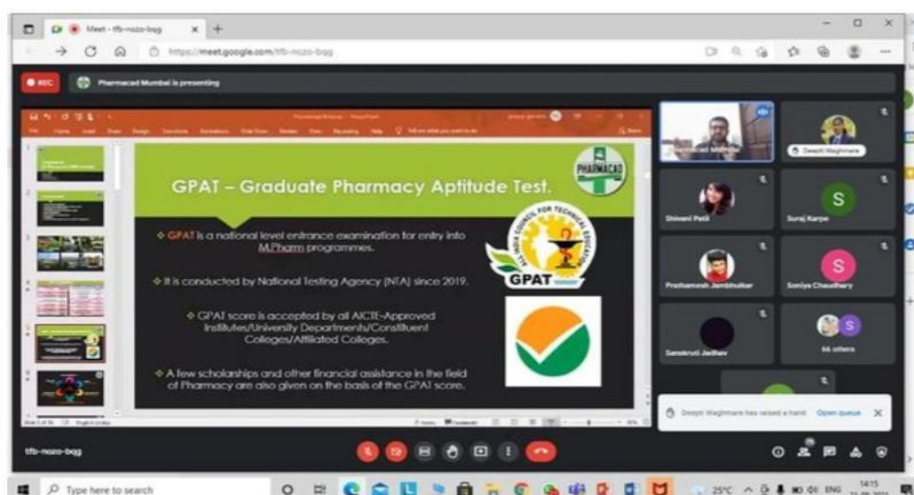

Designation: Co-founder

Organization: Pharmacad, Mumbai

Attendees: 46

Pharmacists are an indispensable part of the healthcare force. To highlight the role of Pharma Professionals Dr. D. Y. Patil College of Pharmacy, Akurdi in association with Mr. Pranav Ganatra, Co-founder of Pharmacad had organised the webinar on the topic "Career Opportunities & Higher Education in Pharmacy". Sir guided the students about qualifying examinations such as GPAT, NIPER, CAT, CMAT CET for post-graduation programs such as M. Pharmacy and MBA. He also highlighted different career Opportunities in Pharmacy.

While interacting with the budding pharma professionals, he also said that Pharmacists play a significant role in healthcare management. Pharmacy Graduates can cater to the needs of various departments in the industry such as production, quality control, etc but in the new age pharma Industry, they need to acquire management skills in addition to core technical knowledge. The enthusiasm of students to know more about the topic for their upcoming future, made this guest lecture at success. Our students and all the participants had a great time in this new and knowledgeable session.

GPAT preparation and qualification increases the understanding and level of Pharmacy education of students which contributes them to opting for good jobs and helps in their professional work. With the aim of providing information and preparation aspects for the GPAT competitive exam GPAT Co-ordinator Mr. P. P. Wankhade had organized a session for Third Year and Final Year students on the topic Study of Target of Drug Action.

Target of Drug Action is one of the important topics in Pharmacology subject in preparation of the GPAT exam. He guided the students more extensively with understanding the concept of target of drug action and students were also able to learn what are enzymes, ion channels, transporters and receptors along with the mechanism of action of antiepileptic drugs, receptor theory, and types of receptors. At the end of the session, students were allowed to interact and also clear their doubts regarding the topic. Total 45 attendees were present for the session. At last, the session was enlightened by the interesting questions answer session related to previous year questions from GPAT exam. The session was useful and informative to all student

Report on Pathophysiology and pharmacotherapy of CVS disorder

Date: 31/03/2021

Topic of session: Pathophysiology and pharmacotherapy of CVS disorder

Name of Speaker: Mr. P. P. Wankhade

Designation: Assistant Professor

Organization: Dr. D. Y. Patil College of Pharmacy, Akurdi, Pune

Attendees: 42

With a initiative to help students qualify and help in the preparation of GPAT Exam, the GPAT Co-ordinator Mr. P. P. Wankhede, Assistant Professor at Dr. D. Y. Patil College of Pharmacy, Akurdi, took a session for third year and final year B. Pharm students on the topic Pathophysiology and pharmacotherapy of CVS Disorders on 31st march 2021.

During the session, the basics related to cardiovascular system were discussed along with the pharmacology, pathophysiology and pharmacotherapy of CVS disorders. The session was interactive among the guide and the students as sir asked various questions related to the topic being explained and all the participant students also actively gave answers to the questions being asked. The total number of students that attended the session were 42.

The session turned out to be beneficial for the students as the previous year questions and other MCQ's were also discussed by sir related to the topic. Mr. P. P. Wankhade delivered session on pathophysiology and pharmacotherapy of cardiovascular diseases.

Report on Explore International Education Opportunities

Date and time: 18/09/2019 (Wednesday 01.30 pm)

Topic of Session: Explore International Education Opportunities

Name of Speaker: Mrs. Sumithra Amar Sant

Designation: Career Advisor & IELTS Trainer

Organization: SIEC Education Pvt. Ltd.

Attendees: 45

Pos attended from the session: PO1, PO2, PO6, PO8, PO9, PO11

Dr. D. Y. Patil college of Pharmacy, Akurdi, Pune arranged lecture series for B. Pharm students on topic "Explore International Education Opportunities", by visiting faculty member Mrs. Sumitra Sant. She conducted awareness and guidance on studying abroad. The speakers was alumni from top ranked universities abroad. Her accumulated experience and knowledge are formidable. The entire talk was based on the education provided overseas and what are the requirements to get qualified for universities abroad. During the session speakers emphasized on the current scenario of education in India and stated that every year around 1.5 lakhs Indian students move to US. She also discussed that for different streams there are different countries where there is intense knowledge to gain for eg. Brazil for physics, USA for drug chemistry; pharmacy; biotech, Canada for drug chemistry.

She confides that, for admission in USA and Canada GRE exam and TOEFL is must. The exam tests the student's Analytical (quantitative) ability, verbal and analytic writing. She also provided all the details about GRE and TOEFL to the students and discussed the ideal time for admission and preparation of these exams.

Topic : "Pharmacy Practice in Hospitals"
Date : 9th February 2019 at 2.30 pm
Name of Speaker : Mr. Tushar Maske,
Pharmacist,
Satara Hospital & Research Center,
Satara

On the evening of 9th February 2019, Mr. Tushar Maske, an alumnus, visited his alma mater and interacted with the students of the current batch on topic Pharmacy Practice in Hospitals.

Mr. Tushar began the session by talking about the changes in the college, and his journey as a student. He began the session by asking the students what they understood about their planning after graduation. He discussed about pharmacy practice in hospital. He also explain students about registration procedure to Maharashtra State Pharmacy Council, about renewal of doccu,ments etc. Students asked various questions to Mr Tushar. Overall session was very interactive

Vote of thanks was given by student representative

Report of Expert Talk

Topic : Preparation for GPAT examination

Date : 24th March 2018

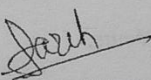

Name of Speaker : Mr. SurajShinde
Student, Biotechnology Department,
National Institute of Education and Research (NIPER),
SAS Nagar

A guest talk of our alumnus Mr SurajShinde was organized by Alumni Association of Dr. D.Y. Patil College of Pharmacy, Akurdi, Pune on topic "Preparation for GPAT examination" students on 24th March 2018.

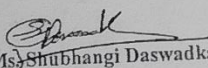

Mr. SurajShinde explained about the competitive GPAT exams, its Paper pattern, what are the benefits of GPAT Qualification. He guided students about various subjects involved in GPAT exam. He told students short tricks to remember structures, formulas. The lecture was very informative and all queries of students were solved by him.

Session was Very interactive and full of knowledge. It was ended by a small question and answer session wherein doubts of few students were addressed by Mr. SurajShinde. The lecture has proven to be very inspiring and informative for the students.

Pos mapped: PO1, PO2, PO3, PO6, PO11
