More than 30 colleges in Pune region actively participated in the activity. Around 20 volunteers from National Service Scheme (NSS Unit: A-063) of Dr. D. Y. Patil College of Pharmacy, Akurdi, Pune actively participated in the activity with great zeal and enthusiasm. During this activity few volunteers along with Mr. Sandip Kshirsagar (NSS Program Officer) met to Mr. Shivajirao More Maharaj (who is working for cleanliness of the environment in different ways for last several years) for discussion of issues and his valuable guidance for conducting the drive in proper way. He had also carried out a tree plantation drive in 2017 by name "Harit Vari". A very fruitful discussion about the how to minimise the use of plastic, importance of replacing plastic with degradable material, tree plantation and other social issues were done. And accordingly the activity of Heritage Sanwardhan was carried out successfully by cleaning the Gatha Mandir and Vaikunth Ghat area. The Conclusion of the drive was government or the regulating body of Dehu need to immediately pay attention towards the deteriorating condition of Dehu Ghat. It is a holy place where people carry out the last rituals of their beloved one's and ends up leaving lots of plastic waste on the ghats that is polluting the river tremendously.</p>
