LCOPH and DDYPCOP further agree that detailed terms and conditions that guide each activity identified above will be separately determined and agreed upon by the two institutions. These terms shall include a technical description of the proposed activity, financial arrangements, and person(s) responsible for its implementation, etc.

#### **B. Exchange of Faculty, Scientists and Staff**

LCOPH and DDYPCOP agree to encourage collaboration between faculty and scientists from the two institutions. Specifically, institutions will encourage members of their faculties to undertake short visits to, or take up fixed-term visiting assignments at, each other's institution as per the existing norms. Terms and conditions for each visit or an assignment, including those concerning travel, and housing, name of the concerned faculty member will be worked out between LCOPH and DDYPCOP.

#### **C. Exchange of Scientific and Technical Material**

LCOPH and DDYPCOP will exchange information on research and educational programmes and teaching/learning material and other literature relevant to their educational and research programmes. Further, LCOPH and DDYPCOP agree to explore ways to share teaching/learning material, and other relevant literature, while respecting each other's intellectual property and other rights.

#### **D. Joint Conferences, workshops and short-term courses**

LCOPH and DDYPCOP agree to help identify and invite faculty members from the other institution to participate in conferences, workshops and short-term courses. The terms and conditions for such participation will be worked out by mutual agreement between LCOPH and DDYPCOP.

#### **E. Intellectual Property**

LCOPH and DDYPCOP agree to respect each other's rights to intellectual property. Further, the intellectual property rights that arise as a result of any collaborative research or activity under this MoU will be worked out on a case-by-case basis, and will be consistent with the officially laid down IPR policies of the two institutions.

#### **F. Co-ordination**

Each institution shall appoint one member of its teaching/research faculty to coordinate the programme on its behalf. Further, a coordination committee, consisting of (a) Principal, LCOPH, or his/her nominee, (b) Principal, DYP COP, or his/her nominee, (c) Programme coordinator from the side of LCOPH, and (d) Programme Coordinator from the side of DYP COP, will periodically review and identify ways to strengthen cooperation between the two institutions.

#### **G. Tenure and Termination**

This MoU will take effect from 1<sup>st</sup> June 2019, the date it is signed by representatives of the two institutions. It will remain valid for five years, and may be continued thereafter after suitable review and agreement. Either institution may terminate the MoU by giving written notice to the other institution six months in advance. Once terminated, neither LCOPH nor DYP COP will be responsible for any losses, or otherwise, which the other institutions may suffer. However, LCOPH and DYP COP will ensure that all activities in progress are allowed to complete successfully

Date:05/10/2017

Name of Speaker: Mr. Vikram S. Gharge

The guest lecture on "IPQC AND QC of Tablets as per IP,BP,USP" was successfully conducted by, Dr. D. Y. Patil College of Pharmacy, Akurdi, Pune. The lecture began with introduction of Mr. Vikram S. Gharge and was followed by the felicitation. The objective of this guest lecture was to provide the students the knowledge to produce a perfect finished product by preventing or eliminating errors at every stage in production. The sir enhanced the students about in-process quality control (IPQC) tests are strongly related to final product quality because checks performed during production in order to monitor and if necessary to adjust the process to ensure that the product conforms to its specifications are the key for good quality pharmaceutical tablets. Students were really very enthusiastic during the session.
