7.1.2

Policy document on the Green Campus/ Plastic Free Campus

Preamble for Green Camus Policy/Plastic Free Camus Policy

Dr. D. Y. Patil Pratishthan's, Dr. D. Y. Patil College of Pharmacy, Akurdi, Pune, established in 1999 at lush green campus of Dr. D. Y. Patil Pratishthan's, Dr. D. Y. Patil Educational Complex, Akurdi, Pune. The Green Campus/ Plastic Free Campus Policy of our college foresees Clean and Green Campus where environmental friendly practices and education combine to promote sustainable and eco- friendly practices in the campus as well as beyond the campus.

This policy document is prepared and passed through IQAC in June 2019.

Green Campus/ Plastic Free Campus Policy

(2019-20)

**Dr. D. Y. Patil Pratishthan's
Dr. D. Y. Patil College of Pharmacy,
Akurdi, Pune-411044.**

Vision

**To Impart Quality Education to the Students and Mould
them into Proactive Multifaceted Pharmacists**

Mission

**To establish a Centre of Academic Excellence and
Research in Pharmacy Education and thereby produce
Professionally Competent and Ethically Sound
Pharmacists to Cater to the needs of the Global Society.**

Program Educational Objectives (PEO)

After graduation students will

- 1. Reflect critical thinking and problem-solving skills through their Pharmaceutical knowledge, expertise, and competency in industry, higher studies, and research.**
- 2. Practice ethics and values in their profession.**
- 3. Contribute effectively in various fields of the social healthcare system.**
- 4. Inculcate leadership and entrepreneurship capabilities through effective communications, appropriate time management, and self-up gradation.**

About the College: Dr. D. Y. Patil Pratishthan's, Dr. D. Y. Patil College of Pharmacy, Akurdi, Pune, established in 1999 at lush green campus of Dr. D. Y. Patil Pratishthan's, Dr. D. Y. Patil Educational Complex, Akurdi, Pune. The aim of the College is to spread Pharmacy education to aspirant students and thereby render social services.

Green Campus Policy

Considering the increasing issues related to pollution and its adverse impact of natural environment/ ecosystem and excessive use of natural sources. Government of India has declared the Mission namely Swachh Bharat Abhiyan. Also, University Grants Commission has mentioned "Green Campus, Clean Campus" mission mandatory for all higher educational institutes. D. Y. Patil College of Engineering and Dr. D. Y. Patil College of Pharmacy being constituent unit of this campus are already taking measures to make the campus ecofriendly since its inception. However this policy document is prepared and passed through IQAC in June 2019. After lot of preapproval brainstorming sessions on various platforms like alumni meet, principal faculty meeting, CA sessions, and parents meet etc., to channelize the efforts further by accommodating all stakeholders especially to enhance the outcome by multiple folds.

The policy is formulated with the following objectives.

Objectives:

- ★ **To make students aware about environmental issues.**
- ★ **To inculcate significance of green initiatives in students**
- ★ **To constitute awareness about ecosystem by organizing various social awareness activities like street plays, rallies, seminars, expert lectures, study tours, competitions, onsite visits etc.**

- ★ To adopt as well as promote students, faculty and other stakeholders about environment friendly practices.
- ★ To encourage all stakeholders to follow green practices within the campus and beyond.
- ★ To maintain cleanliness and sanitation within the campus.

Initiatives Taken to Implement the Green Campus Policy

The college is committed to managing its campus in accordance with its Green Campus Policy by establishing the following infrastructure and carrying out the activities as follows:

1. Landscaping the campus with trees and plants.
2. Maintenance of Medicinal plant garden
3. Maximum possible Paperless Office and Communications with the use of ERP
4. Adequate waste management system (Degradable, non-degradable, bio-degradable and e-waste)
5. Rainwater Harvesting
6. Observance of Days to protect and Nurture Environment
7. Compulsorily conduct the yearly Green, Environmental and Energy Audit by the third party agency.
8. Ban on Single-Use Plastic in the campus.
9. Energy conservation/ Use of LED Bulbs/Tubes and Power Efficient Equipment's along with alternative source of energy.
10. Regular implementation of Green Campus, Clean Campus initiative in accordance with Clean India Mission (Swach Bharat Abhiyan)
11. Active participation in Swach Bharat Abhiyan

1. Landscaping the campus with trees and plants.

College is located in lush green campus with variety of trees, plants, and climbers etc. which are well maintained by team of gardeners. The entire garden is nourished by organic fertilizer prepared by in-house team. Campus has received many awards from PCMC authorities for maintenance of the lush green campus.

2. Maintenance of Medicinal plant garden

- College has already developed and maintained the Medicinal plant garden which is much bigger than the mandatory requirement.
- Water management to be done with the help of various measures like drip irrigation, sprinklers etc., to save water and is to be maintained properly.
- Treated water received after treatment from Sewage Treatment Plant (STP) is to be used for gardening purpose as a part of water conservation.

3. Paperless Office and Communications by implementing use of ERP

- College has installed ERP to reduce use of paper.
- Notices circulated through ERP, e-mail, official whatsapp groups are made official.
- Digital storage of documents through Google drive as well as sharing of e-content as study material for the students to be followed.
- College to promote publication of its activities via e-bulletins and other online platforms.
- The mandatory printed materials like brochures, annual report, etc. to be restricted to print.
- College already has handles on social media platforms like instagram, Facebook, Twitter and LinkedIn. All news, achievements to be shared through it.
- For admission awareness programs, the suitable online platforms to be used

4. Waste management system

- Separate provisions of dustbins are provided for recyclable and non-recyclable waste.
- Sewage treatment plant is in place which collects all the waste water from the washrooms by gravity, then it is treated and pumped for watering the campus garden.
- Biodegradable waste generated during practical is to be segregated and disposed by delivering it to the authorized agency for its disposal as per prevailing rule.

- Degradable waste such as grasses, weeds, leaves, pruned branches of trees, herbs and shrubs, food waste from canteen has to be collected and utilized for the preparation of compost. The entire process is monitored by Dr. D. Y. Patil College of Agriculture Business Management, Akurdi, Pune.
- E-waste generated in the colleges has to be collected at central level for further process. Timely e-waste drives have to be conducted to create awareness amongst the students.

5. Rainwater Harvesting

- College has rainwater harvesting unit which collects rainwater from all over the campus and thus support conservation of water.

6. Observance of Days to protect and Nurture Environment

- Days such as Environment day, Earth day, and Water day would be celebrated to protect and nurture the environment by organizing various activities like guest lectures, street plays, and rallies.
- All students and faculty are encouraged to avail the carpooling and public transport facilities for transportation to save fuel and reduce the environmental pollution.
- Faculty and students staying to nearby the college are encouraged to use bicycle periodically if not regularly (once in a 15 days or a month) once in a month to promote the green practice as well as a healthy practice.

7. To conduct the yearly Green, Environmental and Energy Audit

- College has started the initiative of conducting the yearly Green, Environmental and Energy Audit. It is a process of regular identification, quantification, documenting, reporting and monitoring of environmentally important components in a specified area.
- It helps to empower the organization to frame a better environmental performance by continuing related good practice, improvements as per need and additional measures as per suggestions.

8. Ban on Single-Use Plastic

- To restrict the use of plastic, various measures have been taken to replace plastic tea cups, plates and glasses with steel utensils in the canteen. College has also placed earthen pots to provide drinking water. Further, the employees and students are motivated to use steel or copper water bottles instead of plastic bottles.

9. Energy conservation

- All are instructed, whenever possible, shut down rather than logging off the computers and laptops.
- Turn off fan, AC, fridge etc. to optimize related consumption.
- Turn off unnecessary lights and use daylight instead
- Installation of LED or compact fluorescent bulbs.
- Keep lights off in conference rooms, classrooms, lecture halls when they are not in use.

10. Regular implementation of Green Campus, Clean Campus initiative in accordance with Clean India Mission (Swach Bharat Abhiyan)

- Students and faculty members to implement Green Campus, Clean Campus initiative by organizing timely tree plantation, cleanliness drives.

11. Participation in Swach Bharat Abhiyan

- Students and faculty members should be motivated to participate in Swach Bharat Abhiyan activities within the campus and beyond the campus.

Conclusion:

The above strategies and procedures of implementation are subject to change in view of need as well as demands of time and feedback received time to time.

All stakeholders are instructed to abide by the rules of the policy to keep our campus clean, green and ecofriendly.

Ms. Tejashree A. Deokule

2. Management of the various types of degradable and non- degradable waste

A. Biodegradable waste

Sacrificed animal is transferred to the yellow bag with a barcode on it.

[BACK TO SUMMARY](#)

The yellow bag is later weighed and scanned by the PASSCO official

The official provides a receipt which contains the weight of the bag and a PASSCO number

[BACK TO SUMMARY](#)

B. Solid Waste (Non- degradable waste)

Separate provisions are provided for discarding recyclable and non-recyclable waste

[BACK TO SUMMARY](#)

Wet waste (Degradable waste) including grass, leaves and twigs are collected at central place and given for preparation of vermicomposting.

[BACK TO SUMMARY](#)

2. Water conservation Sewage Treatment Plant

A central sewage treatment plant with capacity of holding 1 lakh liter water segregates the solid waste and then the sewage water is treated through various stages and is used for gardening purpose.

Subject: Feasibility report-cum-detailed project report (DPR) on PV system.....

Dear Sir,

Our expert team visited your college/institute to check the possibility to establish roof-top solar PV system at your college/institute. Thank you very much for your kind cooperation and courtesy during their visit. Please find herewith the feasibility report-cum-detailed project report (DPR) on PV system to be installed at your college/institute under the quality improvement program (QIP) your college/institute of Savitribai Phule Pune University, Pune 411 007.

You are requested to strictly adhere the guidelines and technical specifications enclosed herewith for the procurement and installation of PV system under the quality improvement program (QIP) of Savitribai Phule Pune University, Pune 411 007.

Thanking you and regards.

20-January-2023

Dear Sir/Madam,

The Schindler units installed at the above project, have now been in service for the past year. We do hope they have provided the intended usage and comfort to the users.

Kindly note the free maintenance/paid maintenance period is due to expire as per date mentioned in the agreement, and in this connection please find enclosed our maintenance contract proposal.

We would request your appointment to discuss and finalize the contract at the earliest. Upon your approval, you shall be required to return one copy of the contract duly stamped and signed along with the payments, to enable us to continue our services for the further period.

Meanwhile, Schindler has come up with a strong survey tool to better understand how you perceive our service performance as a basis for our continuous improvement efforts,

An external agency through their expert team conducts these surveys on our behalf. We would highly appreciate your time to respond to a few questions related to the service rendered on Schindler unit installed at your premises.

We wish to thank you for patronizing Schindler and giving us the opportunity to serve you

20-January-2023

Dear Sir/Madam,

The Schindler units installed at the above project, have now been in service for the past year. We do hope they have provided the intended usage and comfort to the users.

Kindly note the free maintenance/paid maintenance period is due to expire as per date mentioned in the agreement, and in this connection please find enclosed our maintenance contract proposal.

We would request your appointment to discuss and finalize the contract at the earliest. Upon your approval, you shall be required to return one copy of the contract duly stamped and signed along with the payments, to enable us to continue our services for the further period.

Meanwhile, Schindler has come up with a strong survey tool to better understand how you perceive our service performance as a basis for our continuous improvement efforts,

An external agency through their expert team conducts these surveys on our behalf. We would highly appreciate your time to respond to a few questions related to the service rendered on Schindler unit installed at your premises.

We wish to thank you for patronizing Schindler and giving us the opportunity to serve you

Thanking you and assuring of our best attention and services at all times.

Yours sincerely,

Schindler India Pvt. Ltd.
